

TOPIC PROPOSAL ASSIGNMENT

Name:

Due Date: Announced in class

1. Write a description of the topic you propose for your class presentation. Include a description of how you will present your topic.
2. Describe (as completely as possible) any equipment requirements you anticipate.
3. List and describe any visual aids that you think you will need.
4. List at least three specific sources of information that you have found as background for your presentation topic. Use the back of the sheet if you need more space. For online resources you must include the URL.

You will receive 25% of the credit on this assignment for a well thought-out proposal that is submitted on time. Additionally, students submitting their proposals by the due date will be assigned *later* presentation dates – normally during the last two weeks of the term before final exams. Students who submit their proposals after the due date will be scheduled to give their presentations *first*.
