 3. Students qualifying for and desiring to **re-take one of the earlier exams** must submit their written requests by next Monday. See week 11 and week 12 in the calendar for additional information. (Note that specific conditions apply to this option and not all students are eligible. See the [tests page](#) for more information about this policy and the option to re-take one test.)
 4. You may re-submit one of the earlier listening assignments (#1-#7) at the first class meeting of week eleven. This may be an assignment that you did not turn in or an assignment on which you would like to earn a higher grade.

Week Eleven

If you meet the requirements to take advantage of this option (a grade lower than a C on test #1 or test #2) and you would like to re-take one of the tests to possibly raise that grade to as high as a C, you must turn in a written request by this deadline. Your request must include your name and the test you wish to re-take, either test #1 or test #2.

Notes:

- Final exams are scheduled on **Monday through Friday** of week 12. **You are required to attend the scheduled final exam session for your class.** Exam sessions may be at different times and on different days than the regular class meetings during the rest of the term. Resolve all schedule conflicts (with other classes, your job, your family, etc.) well ahead of time, as exceptions to the published exam schedule are virtually never granted except in extraordinary circumstances.
- **Students with a grade lower than a C on test #1 or test #2 may optionally choose to also re-take one of those tests** during the final exam session and raise their grade for that earlier test to a C. After completing test #3 at the final exam session, qualifying students will be given a version of the earlier test that they have requested to re-take. See the [tests page](#) and the information in the **week 11 section of this calendar** for additional requirements, including a deadline for submitting your request to re-take a test. (Note: You will not be allowed to re-take one of the tests unless you submitted a written request by the deadline as described in the week 11 section of the calendar.)
